Veterans Crisis Line **Public Fact Sheet**

Confidential help for Veterans and their families

The Veterans Crisis Line is a toll-free, confidential resource that connects Veterans in crisis and their families and friends with qualified, caring Department of Veterans Affairs (VA) responders.

Veterans and their loved ones can call **1-800-273-8255 and Press 1** or chat online at **www.VeteransCrisisLine.net** to receive free, confidential support 24 hours a day, 7 days a week, 365 days a year, even if they are not registered with the Department of Veterans Affairs or enrolled in VA health care.

The professionals at the Veterans Crisis Line are specially trained and experienced in helping Veterans of all ages and circumstances—from Veterans coping with mental health issues that were never addressed to recent Veterans struggling with relationships or the transition back to civilian life. Veterans Crisis Line responders provide support when these and other issues—such as chronic pain, anxiety, depression, sleeplessness, anger, and even homelessness—reach a crisis point. Many of the responders are Veterans themselves and understand what Veterans and their families and friends have been through.

Since its launch in 2007, the Veterans Crisis Line has answered more than 450,000 calls and made more than 16,000 life-saving rescues. In 2009, the Veterans Crisis Line added an anonymous online chat service, which has helped more than 20,000 people.

In 2011, the National Veterans Suicide Prevention Hotline was renamed the Veterans Crisis Line to encourage Veterans and their families and friends, who may be the first to realize a Veteran is in emotional distress, to reach out for support when issues reach a crisis point, even if it is not a suicidal crisis.

VA is working to make sure that all Veterans and their loved ones are aware of the Veterans Crisis Line. To reach as many Veterans as possible, VA is coordinating with communities and partner groups nationwide, including community-based organizations, Veteran Service Organizations, and local health care providers, to let Veterans and their loved ones know that support is available whenever, if ever, they need it.

Whether you're a Veteran, or a friend or family member concerned about one, confidential assistance is only a call or click away.
